

My new adventure!

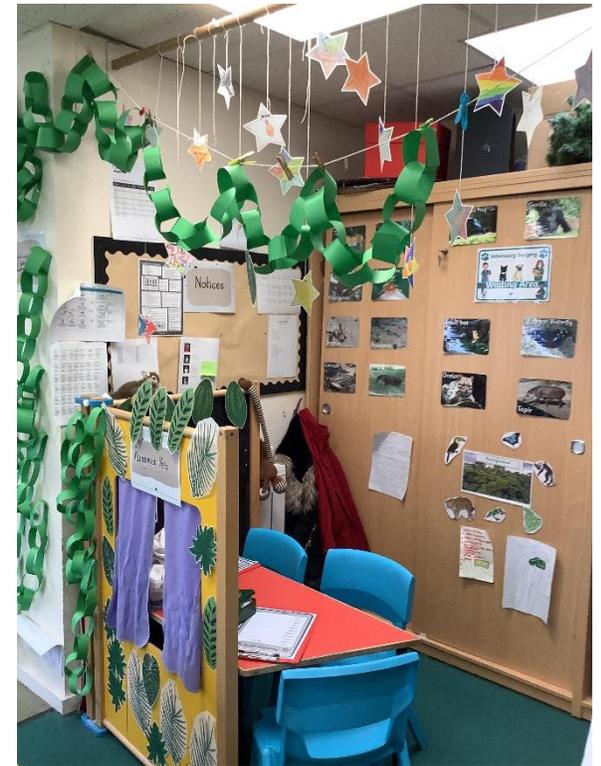

Soon, I will be part of a mixed Year 1 and Year 2 class. This means I will learn and play with friends who are in both year groups!

I might be one of the younger or older children in my class, and that's okay!

We will all learn at our own pace, and our teacher will help us feel confident.

If I feel unsure or nervous, I can talk to my teacher, my family, or my friends. They will help me feel comfortable in my new class.

I am in Turquoise class.

I will come in to school each morning through this door.

Some children will be new to my class, and some will stay the same. My special adults will help me settle in, and I can always ask for help if I need it.

Some other places in the school I will visit are...

At playtime and lunchtime I will be able to play...

On the field or on the playground.

Being in a mixed Year 1 and Year 2 class is a great opportunity to make new friends, learn new things, and have fun together. I am ready for this exciting adventure!
