Thank you!

We can't believe our first year in post is already over. What a year it has been. A massive thank you for making it the success it has been. With all the donations, sponsorships, and volunteering you have helped us to raise a staggering **£16,421**. £15,000 has matched money from the school to pay for the new play trail in the playground many of the children have passed on their thanks for this! If you would like to have a say in what the money goes towards next year please keep your eyes peeled for the AGM in October.
