WELCOME FROM THE HEADTEACHER

Dear Parent/Carer,

A very warm welcome to our school community.

We are delighted that you are considering our school for your child.

Choosing the right school is an important decision, and we are proud to offer a nurturing, inclusive and engaging environment where every child is known, valued and supported to thrive.

This document has been designed to give you quick and easy access to the information you need. Rather than a traditional prospectus, you will find a series of QR codes that link directly to key areas of our school website. By scanning these codes, you can explore everything from our daily routines, to our uniform and our admissions information.

Our website holds a wealth of up-to-date information, and we encourage you to explore it fully to gain a real sense of life at our school. You will also find photos, newsletters and updates which showcase the many experiences and opportunities we offer our children.

We very much look forward to welcoming you and your child into our school community and working in partnership with you to ensure a happy and successful start to their learning journey.

If you have any questions or would like to visit us, please do not hesitate to get in touch.

With best wishes,

Miss S Holmes
