

FREGROUNDS INFANT SCHOOL  
EYFS

Week Beginning: Monday 18<sup>th</sup> May 2026

**Key Messages:** Please can we remind families not to let any children play with the resources or in the sand pits before or after school. Many Thanks

**Maths Activities:**

**Continuous learning that you can do at home:**

Continue to encourage your child to count forwards and backwards in ones up to 20. Encourage your child to order, recognise and write the numbers up to 20. Practise spotting 2D and 3D shapes in the environment or using position and direction words as part of play.

**Focus of the week:**

The children will be exploring numerical patterns. The children will be demonstrating their knowledge of odds and evens, doubles and comparing numbers.

**English Activities:**

**Phonics Focus:**

To support the children in phonics they are working in small targeted groups with children that are learning the same sounds and phonological skills.

**Focus of the week:**

This week we are exploring the concept of water. We are going to be looking at how water is special to different people and in different religions. On Wednesday we will be discussing the Christian ritual of baptism. If your child was baptised and has any photos or items they would like to share with the class we would love to be able to show some real life examples.

**Home Learning:**

Thank you for your comments in the reading journals, we really appreciate it. It is recommended that the children read it at least 3 times to be able to practice all the relevant skills!

Thank you for your continued support,  
The EYFS Team

Article 31 is about your right to relax and play. We hope you have a lovely weekend!
