

FREGROUNDS INFANT SCHOOL
EYFS

Week Beginning: Monday 1st June 2026

Key Messages:

Please can we remind families not to let any children play with the resources or in the sand pits before or after school. Many Thanks

As we move into the second half of summer term and the weather gets hotter, please make sure your child has applied sun-cream and brings a hat and water.

Maths Activities:

Continuous learning that you can do at home:

Continue to encourage your child to count forwards and backwards in ones up to 20. Encourage your child to order, recognise and write the numbers up to 20. Practise spotting 2D and 3D shapes in the environment or using position and direction words as part of play.

Focus of the week:

The children will be exploring addition within 10 or 20. They will continue to develop their understanding and sense of number through a variety of visual and practical activities, applying their knowledge in problem solving contexts.

English Activities:

Phonics Focus:

To support the children in phonics they are working in small targeted groups with children that are learning the same sounds and phonological skills.

Focus of the week:

This week we are sharing the traditional tale The Three Billy Goats Gruff. The children will be learning more about structure of stories and practising using their story vocabulary by retelling the tale in a variety of activities.

Home Learning:

Thank you for your comments in the reading journals, we really appreciate it. It is recommended that the children read it at least 3 times to be able to practice all the relevant skills!

Thank you for your continued support,
The EYFS Team

Article 31 is about your right to relax and play. We look forward to hearing about what you get up to over the half term break.
