

Let it Shine!

English

Our texts in this project are 'Flashlight' and 'Little Glow'. The children will be using their experiences of light to write descriptions of what they can see with a flashlight and where Little Glow might like to go.

Maths

The children will be covering: Number and Place Value and addition and subtraction. They will encounter these mathematical concepts in isolation and within problem solving contexts.

PSHE

Our unit of work this half term is 'Me and my relationships'. The children will learn about bullying and teasing, our school rules, being a good friend and self regulation. We will revisit 'Trick Box' and learn some new tricks to help us develop healthy lifestyle habits..

RE

The children will learn about the importance of Candlelight as a symbol in religious festivals. They will learn about the Hindu festival Diwali.

History

The children will learn about the historical event, The Gunpowder Plot, considering the events that led to it and

Music

This half term the children will be learning to sing a song from memory as well as playing an instrument to the beat.

PE

This half term the children will be developing their team work skills, alongside practising the fundamental movement skills.

Art

Art will also follow a theme of light. The children will explore clay, making diya lamps, linked to RE, before making their own versions of stained glass windows through a collage method.

Computing

During this half term the children will learn about the IT around us. Through online safety lessons, they will explore online relationships.
