**Writing Focus:**

After starting the week writing up our diaries, the children will be shifting their focus to a new book. They will begin the unit by making a creative item to give to someone in class, before looking at the new book and describing a setting using expanded noun phrases.

**Maths Focus:**

After focusing on multiplication last week, the children will be focusing on division this week. They will be exploring how to share equally, with an emphasis on equal. Some children will then move on to explore the difference between sharing and grouping.

**Important information...**

**Glass Jars**

For our next writing unit, the children will be making an item using a glass jar. Each child will need a clean jar with a lid. Please could you bring in any empty and clean jars that you have at home. It would be greatly appreciated.

For PE, KS1 will be going outside for as much of the year as possible. Please ensure your child has a winter PE kit consisting of navy blue jumper / hoody and jogging bottoms / leggings and trainers alongside their indoor / summer PE kit of red shorts & white t-shirt. Thank you!

**Earrings**

Could we please remind parents and children that as per our school uniform, only small studs should be worn if your child has pierced ears. On days that PE is held, earrings should either be removed or covered with micropore tape.

**PE days**

**Orange class – Thursday and Friday**

**Purple class – Tuesday and Thursday**

**Emerald class – Monday and Thursday**

**Scarlet class – Tuesday and Wednesday.**

**Turquoise class - Monday and Wednesday.**

**Gentle Reminder . . .**

Please can you ensure that your child's belongings are named, including water bottles, jumpers, coats and PE kits. It makes it difficult to return items to the correct owners if they are unnamed.

**Thank you for your continued support.**

**As always, if you have any questions or need some advice please come and speak to us.**
